sherwood park

Got a four-legged buddy? Head to this wooded park's huge off-leash area. Enter on Sherwood St, east of Mount Pleasant to access great walking and hiking trails, picnic tables and even two wading pools/playground catering to the wee set.

eglinton **park**

How much fun can 9 hectares hold? Think 5 multi purpose fields, 4 tennis courts, 2 ball diamonds, a playground, and 2 artificial ice rinks, come winter. Enough said.

st. clements-yonge **parkette**

Need a spot to sit and sip your latte, or just want to watch the action on Yonge St. roll by? The benches in this quaint, garden-lined green space have your name written all over them.

blythwood **ravine park**

Bordered by Alexander Muir Gardens to the west and Sherwood Park to the east, this forested ravine is actually part of the Gardens Discovery Walk. Grab a two or four-legged friend and follow the trail right into Sherwood Park.

alexander muir **memorial gardens**

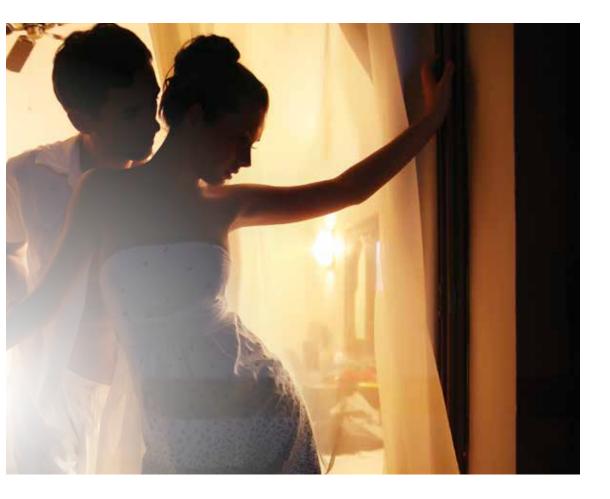

For photo-ops galore, just follow the wedding parties who flock to these gorgeous floral-infused gardens. Walking trails are open year-round and lead all the way to Sunnybrook Park. Just refrain from the urge to photo bomb any wedding portraits along the way.
